Lead by Registered Maine  
Guide Ed Mathieu

Tour Packages start at:  
\$95 for one or \$120 for two.

Make your reservation for this memorable  
experience in Maine's North Woods!

**Tour #4: Moonlight "Stargazing" Northwoods Tour \$120 for two or \$95 for one**

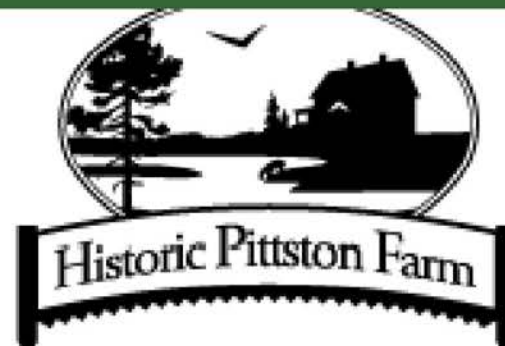

Enjoy stars that appear larger than you have ever seen! Constellations you have always wanted to see, but because of light pollution, haven't been possible in your area. The reflection off the fresh, white snow makes for wonderful star-gazing, especially on a moonlit night during winter. It is truly a sight to behold. Come & share this with a loved one for an experience you'll cherish always in the wilderness. Hot beverages, bonfire and snacks provided.

**Tour #5: Ice-Fishing on Moosehead Lake via snowmobile: \$495 for one or \$695 for two.**

Enjoy two activities in one: Fishing one of the best lakes in the Northeast. Moosehead is framed by beautiful snow-capped Mtns. in the winter and you will be snowmobiling from Historic Pittston Farm, going 13 miles East to the Lake. You'll enjoy the fresh crisp air in your nostrils and visions of wildlife throughout your 8 hour day of relaxation in the North Maine Woods. Includes snowmobile rental, lunch, beverage.

Add \$99.00 plus tax for each person for overnight accommodations and three made-from scratch meals including desserts! This will be a get-a-way you'll talk about for years to come. You've tried the usual, now try this unique adventure!
